BELL MATCHES

Let There be Light

Made in India

BUILT ON MANUFACTURING EXCELLENCE

We manufacture premium match products for hospitality, candle, retail, distribution, and private-label businesses worldwide. Backed by a 5-acre manufacturing facility and specialised machinery from Arenco, Herring, Roller Simplex, and Columbia, we combine manufacturing expertise with flexible customisation

Our production is built to EN 1783 standards, supporting consistent quality across customised packaging, specialised match formats, and bulk requirements. With a presence across 25+ countries, we understand the demands of international B2B supply and work closely with buyers to deliver solutions aligned with their brand, market, and quantity requirements. From distinctive packaging to tailored product formats, our approach is focused on reliable manufacturing, commercial flexibility, and long-term partnerships with businesses seeking a dependable match manufacturing partner.
